

# COMMUNITY AFFAIRS POLICY

AESL supports numerous projects in the field of culture, science, sports, education, and humanitarian projects and projects that have a high priority for the local communities in which AESL operates.

**Regulatory Compliance:** We will comply with all applicable laws, regulations, standards and recognized codes of practice and, where any of these are inadequate, adopt and apply high standards that reflect the commitment of AESL to safety, the protection of the natural environment and the health of our workforce.

**Communication:** We will clearly communicate our HSE commitments, responsibilities and performance to

our employees, our contractors and the public and we will provide information to all relevant parties on the safe use, handling, transportation, storage, recycling, reuse and dispose of our materials, products, and wastes.

**Community Citizenship:** We are dedicated to being a good citizen in the communities where we work. We will conduct our operations safely, cleanly and responsibly, Discharge acceptable social responsibilities to the community and will be proactive in issues of mutual interest.

**CSR:** As part of being a responsible citizen, we always look at the triple bottom line approach in our deals with our host communities.
